"Gen. Lee is a liar, an impostor and a rebel," said Gen. Palmerio, Secretary of State for Cuba, when informed that the American Consul General was authority for the statement that the release of Charles Scott had been demanded because he had been arrested and kept in prison in defiance of law. THE TWENTIETH CENTURY VAUDEVILLES. Possibly the most interesting performance to be seen this season at the Paris Grand, will be given to-night by the Twentieth Century Vaudevilles. Thirty talented young men of this city will take part in the varied and excellent program and the acts will be unique and interesting. There will be funny songs, bright comedy sketches, a bit of heavy acting, a clever acrobatic specialty, charming musical numbers, a joke duel some bag-punching, and other high class acts that will win applause. All of the performers have appeared on the stage before, and having diligently rehearsed the program to be presented to-night are sure to give a pleasing entertainment. The performance will be well worth the patronage of Parisians, and the Grand should be packed. The Vaudevilles will not give a street parade, but promise a good performance to those who go to the Grand to-night.

is made up of the most essential elements that go to nourish the body. Where the appetite is varying or lacking, it increases it, and where digestion is weak, it aids it to perform its function in a more vigorous way. It enriches the blood, makes healthy flesh and cures chronic coughs and colds by making it possible for the body to resist disease. Our friends tell us "IT WORKS WONDERS" but we never like to overstate the merits of our remedy even when it has been tested and tried for over twenty-five years. If you will ask for it, we will send you a book telling you more about the subject than we can put in a few words.

Full Details Gladly Given. A Railroad Official's Experience.

MR. EDWARD EDMONDS, long connected with railroad construction in Nebraska, writes: "My heart troubled and pained me for 19 years. Shortness of breath was the constant and most common symptom. Latent, excruciating pain, generally followed any severe exertion. Faintness, hunger without any appetite; fluttering that made me clutch my breast, and palpitation that often staggered me as if I would fall, were frequent attacks. Again, everything would turn black if I arose from a stooping posture quickly. Sleepless nights with their prostrating unrest were numerous and I could get no rest day or night. I consulted leading physicians and tried advertised remedies. They gave me no relief. One of Dr. Miles' circulars described my case so exactly that I took Dr. Miles' New Heart Cure and I am now a well man. I hope every one troubled with heart disease will try Dr. Miles' remedies. If they will write me personally, I will gladly give them full details of my experience." EDW. EDMONDS. P. O. Box 65, David City, Nebraska. Dr. Miles' Heart Cure is sold on guarantee that first bottle benefits or money refunded.
